

Welcome Back!!

FLASE Newsletter

Fair Lawn Association for Special Education

Fall 2017

Vol. 2

Welcome back fellow FLASE families! I hope you all had an amazing summer! I know it was a hectic time of summer-fun in my family. I am looking forward to the structure of another successful school year! FLASE is here and we are ready to serve the Special Education Community of Fair Lawn. Welcome back everyone!

For those new to the district, please let me welcome you all to our beautiful Fair Lawn School District.... we are "One town, One school system" filled with a lot of heart. You are going to love it here. Wait till you see the amazing programs we have in place! I encourage you to join FLASE. Please come to our meetings, check us out, and help us make a difference. Together, we can be the change we want to see in the world!

I would like to give a very warm welcome to Mr. Norcia, Dr. Hesney and Ms. DeFranco. I know our Special Education Department is in great shape with them on board. This is a time of huge change, but I am confident that Mr. Norcia and his team are top notch and we are all in great hands.

This time of year is filled with such high hopes for organization, planning, and intent for us parents. I filled my teacher's lists, bought backpacks, got some new lunch box ideas, and even got the kids new sneakers. I also cleared a spot on my kitchen wall for our school calendar/agenda! Let me say, for a FLASE Officer, it is no different! We are planning such amazing things for all the children with special needs in our wonderful district. We have a hard-working group of moms on the executive board, scratch that, we have a hard-working team of moms. That's a good way to sum up who we are, we are a team. We are a team of moms that hope to make a difference in the lives of all our families with special needs. We look forward to working along with administration, teachers and staff to enrich the already wonderful programs we have here in town. We are looking forward to seeing old friends and making new ones at Back to School Night. We hope to make our community bigger and stronger than ever!

All my best for a healthy, successful, fun and nurturing school year. Let's make this one the best one yet!

Respectfully,
Mel Jerchower
FLASE President
