Dear Parents:

The Fair Lawn Board of Education is now accepting applications for the Preschool Integrated Program for the 2018-2019 school year. Acceptance is based on a first come, first served basis. All district resident students who are toilet trained and who are either three years old by the September start of school year, or who will be less than 5 by October 1st, are eligible to apply.

The integrated preschool program offers a high quality preschool education program aligned with the NJ Preschool Standards, delivered by a certified teacher. In this structured environment, children will work on academic, social, and emotional skills to help prepare for kindergarten.

The program is held at Edison School and will meet five days a week, Monday through Friday, following the district's academic calendar. Two sessions are offered: the morning session is 8:35am – 11:15am and the afternoon session is 12:30pm – 3:00pm. Parents are responsible for providing transportation. Participating children must have the required immunizations and provide health records prior to the start of school. The tuition for the program is \$1,000 for the 2018-2019 school year. The first day for Pre-School Integrated students will be September 6, 2018.

All completed applications, including proof of residency, must be returned to the Special Education Office, located in Room 20 at Edison School no later than May 15, 2018.

Sincerely,

Nicholas Norcia

Assistant Superintendent of Student Services
